Bug Report (UI)

ID number	#1
Name	CONTACT US - Order Reference accepts non-numeric characters
Reporter	Ahmed Mostafa
Submit Date	13/11/2023
Summary	When I enter a non-numeric character to order the reference field, it accepts it and doesn't show an error message.
URL	http://automationpractice.multiformis.com/index.php?controller=contact
Screenshot	Platform	Laptop
Operating System	Windows 10
Browser	Chrome 119
Severity	Major
Assigned to	/Backend Team, Frontend Team
Priority	High

Description

When I enter a non-numeric character into the order reference field, it accepts it and doesn't show an error message.

Steps to reproduce

> Go to http://automationpractice.multiformis.com/index.php?controller=contact
> Fill in all the fields
> At the Order Reference field enter a non-numeric character as "abc"
> Click on send button
> A success message apears

Expected result

Order reference should only accept numeric characters and show an error message.

Actual result

Order reference accepts non-numeric characters and doesn't show an error message

ID number	#2
Name	SEARCH - Irrelevant items appear when searching for it.
Reporter	Ahmed Mostafa
Submit Date	13/11/2023
Summary	When I search for items such as “dress”, irrelevant search results appear as “T-shirt” and “Blouse”
URL	http://automationpractice.multiformis.com/index.php?controller=search&orderby=position&orderway=desc&search_query=dress&submit_search=
Screenshot	Platform	Laptop
Operating System	Windows 10
Browser	Chrome 119
Severity	Minor
Assigned to	/Backend Team, Frontend Team
Priority	Medium

Description

When I search for an item as “dress”, irrelevant items appear in the search results as “T-shirt” and “blouse”.

Steps to reproduce

> Go to http://automationpractice.multiformis.com/index.php
> Search for “dress” in the search bar and hit the search icon.
> See the search results

Expected result

The items in the search results should relate to the search term.

Actual result

Irrelevant search items appear in the search results.
